

REDIDICATION TO SERVICE

Host: Ohlone Chapter

Do you want to live up to the high ideals of the Order of the Arrow and Scouting? Do you want to really know the meaning of the tests that were put before you on your Ordeal? If you want to prove your dedication to the high ideals in the Order... Then this event is for you!!!

You are probably sitting right there on a comfortable chair and thinking " what the ---- is a redidication to service? Well my fellow Arrowmen.... Read this and you shall know.

The Redidication to Service will be a weekend like an Ordeal. It will start like this... you will arrive at Rancho Los Mochos on the night of the 14th of November. From there we will go to a Cracker Barrell. Then you will be led to the pre-Ordeal ceremony. After the ceremony, you will be placed on a hill in silence for the night. Proving your self-reliance and to turn your thoughts inward. In the morning, we will go to breakfast and start work-parties. At noon, lunch will be served. After lunch, we attend sessions, such as sandpainting, putting up a teepee, Indian food, Indian dancing, singing, beading, costume designing, and many more activities. After the session, we will go swimming and then to dinner. Next, we will go with Kitchkinet, our guide, to the Ordeal ceremony. By attending this ceremony, we will redidicate and remind ourselves of the high ideals of the Order of the Arrow. The weekend will be ended with a Craker Barrel on Saturday night. This redidication will guide you in expanding the service which made you outstanding. It is our hope that by the time you are through with this weekend, you will know the true meaning of

WIMACHTENDIENK, WINGOLAUCHSIK, WITAHemui.

More information will be sent later.

This section of the newsletter is devoted to gossip and other garbage. Anyone reading this section should not be offended or angry at the ARROW POINT Editor, but should be honored for having his name in the ARROW POINT.

Since so many Arrowmen attended the Scout Reservation this past summer, I thought I'd write about some of the antics that a past Lodge Chief did. We won't mention the name of this past Lodge Chief (nickname of "Baus") and Commissary Director. Well anyway, during pre-camp week, he tried to injure his assistant, Rick Vieira (who is Serra's Village Chief) by throwing cases of food at him. Right next door, he threw food (such as syrup) at quiet, peace-loving Jerry Sakamoto (who is the Editor of your favorite reading material); he slammed cantaloupe on the Trading Post's counter; and he posted signs that read "Death will come sooner than you think. Jerry Sakamoto..."

Royaneh

My Fellow Arrowmen:

Through the long and busy summer at camp Royaneh, I sensed a new type of Brotherhood in our Order which made me extremely optimistic about the following year. Scouts, along with Scouters, who never really been active in the O.A., asked me what the O.A. really was. I thought it over and said that all the O.A. is, is an organization of honor Scout campers trying to work on a common goal of getting more Scouts out of the city and into a camping environment. While we do this, we try to give them a taste of leadership, camping skills, and fellowship. Most of them said that was fine; but then asked "What can the O.A. do for me?"

"Well," I answered "just being with among the best Scouts in the Bay Area enables you to improve yourself and your troop. There are also many activities that the O.A. runs, such as Camp-o-rees, leadership development, and so on."

After this, they seemed to be interested and most asked to be contacted in the near future.

That's our goal for this year. We want to bring in as many persons as possible to help us improve Scouting and Exploring. Our keys to success will be our various activities throughout the year, coupled with a little advertising. I hope that I will have your support in building for a better Chapter and a bigger Brotherhood.

Yours In Fellowship,

Bob Gobbo, Chief
Royaneh Chapter

Serra

Serra Village meets on the first Monday of each month at A.P. Gianinni High School. For further information, contact the Vagrant Turkey (V.T.) at 755-6567 or Rick Vieira at the same number.

El Camino

El Camino Village holds its Village meetings on the third Monday of each month. For more info, call Chief Chris Lawrence at 467-8099.

Golden Gate

To start the new O.A. year, Golden Gate Village has many activities planned. Attendance and participation is vital for the success of all the events and meetings.

The Village meets on the third Monday of each month and more information about the new more convenient meeting place can be obtained by calling Chief William K. Ichiyasu at either 386-8000 or 752-3555.

Fellow Arrowmen:

This being the first ARROW POINT of the new year, it is time to inform you of the new name of our Chapter. The new name of our powerful Chapter is WEKEMNAYON (We-kem-nay-on). This name is taken from a tribe that once lived within our Chapter boundaries.

As a tradition, it has always been the Chief's goal to get a once mighty Village back on its feet. This year, I've heard a small rumble from the so-called "dead village." With the help from Live Oak Village and Post 303, I believe that Golden Acorn can become one of the best Villages in the Lodge.

A word of warning to all committee chairmen... it is never too early to start the committees going (especially Camp Promotions) because units in your area are already signing up for next year.

If you have a question or comment, please call me at 834-4605.

Bernie Miller

Bernie Miller, Chief
Wekemnayon Chapter

Am angi

The Amangi Nechochwen Village holds its Village meetings on the first Monday of each month at the Faith Lutheran Church, 20080 Redwood Road, Castro Valley, at 7:30 pm.

Planned for this year are four tap-outs at Lake Chabot. If you're interested in participating with this event contact your Village Chief and also for more information, call Chief John Kreidler at 276-4475.

Live Oak

Last year, our Village pulled off one of the biggest and best camps in the Lodge year at Yosemite. This year, we hope to do alot more since we have a better Village. One of these undertakings will be to boost Golden Acorn Village. To do this and improve on other activities, such as the Carrousel Capers carnival, it will take each and every Arrowman of the Village. Canoe trips and Snow trips are also planned. Village meetings are held on the first Wednesday of each month at 7:30 pm at Frick Junior High School, 2845 - 64th Avenue, Oakland. For more information, call Chief Ron Anderson.

Golden Acorn

Many Arrowmen are calling us a "dead Village", let's show the Lodge there is still a power known as Golden Acorn Village. If anyone would like to help, contact Bernie Miller at 834-4605.

All G.A. members are invited to attend and participate in Live Oak activities; see Live Oak's message for more information.

Ohlone

The Ohlone Chapter has started the year off by hosting a fantastic Ordeal. But this isn't the only thing we will be doing.

We plan to unite the villages even more by having more inter-village activities. We will be doing such things as a volleyball marathon, a trip or two to Santa Cruz, meaningful workparties, and best of all, a Rededication to Service involving the whole Lodge and hosted by our Chapter.

To see these ideas become reality we must ask you, my fellow Arrowmen, for your help. You can help by becoming active in your Village, going to the meetings and activities therefore making a good Village, and through better villages comes a good Chapter and henceforth a good Lodge. But these dreams can only become a reality with your support.

Some time ago, you received an honor awarded to you by your fellow Scouts. This honor was given NOT for what you have done, but what you are about to do. Along with honor comes responsibility and obligation. My fellow Arrowmen, I challenge you to take this responsibility and live up to your obligations in your life to cheerful service in the Order of the Arrow

Yours in Brotherhood
and Obligation,

My Fellow Scout and Explorers:
Fall is upon us once again, and it is time for us to start planning for the upcoming events for the new year. To start off the year, we have planned an Advancement Rally for both Webelos and Scouts, a fund-raising roller skating party, and a volleyball game with Mission Peak Village. With the year starting off so great, I see the beginning of a great year.

Yours in Scouting,
Mike Wilson, Chief

COOK'S MEASURE

WHY LUG various measuring spoons and cups camping when Mother Nature has supplied you with hands. They make dandy measuring instruments when cooking, and you never have to remember where you laid them down.

- 1 fistful = $\frac{1}{2}$ cup
- 1-5 finger pinch = $\frac{1}{2}$ teaspoon
- 1-3 finger pinch = $\frac{1}{4}$ teaspoon
- 8 $\frac{1}{2}$ "handfuls" of water = 1 tea-cup

These measures differ for each Scout but they will help you to "guess right".

VIGIL ORDEAL

A successful Vigil Ordeal at the Scout Reservation honored Mr. Ray Sweazy, our Council Scout Executive, for the Vigil Honor.

Thanks to the half-dozen Arrowmen who attended the Ordeal with a Vigil breakfast at Brooktrails Lodge in Willits.

REPRINTS

Because of the high response from readers, the following article is being reprinted from the AMANGI Newsletter.

The following article is by Bud Livers (Foreign Correspondent) of Talako Lodges's HIGH EAGLE. The Lodge thanks Mr. Gordon Daum (Advisor, HIGH EAGLE) and Doug Ober (Editor, HIGH EAGLE) for letting us use this article.

In the light of the recent shortages in the world wide production of leaky ink-pens, we take you for an exclusive interview with Mr. Yang Wang Herohang, Brain surgeon Electro-chemical Psychotherapist, and part-time roto-rooter man.

HIGH EAGLE: Mr. Herohang, how do you feel about the international organization of Boy Scouts that may effect the socialogological development of your paperclip factory?

Mr. Yang Wang Herohang: Yes, thank you.

H.E.: I see. I'm sure our readers would be interested on your thoughts on our pollution problems.

Mr. Y.W.H.: Guten Tag Hans.

H.E.: Could you be more specific?

Mr. Y.W.H.: Where is the train station?

H.E.: Yes, uh, well, how about the psychoschematic principles of your new wonder drug "live-no-more", which is guaranteed to cure all aches, hurts, and the painful symtoms of psoriasis.

Mr. Y.W.H.: Como usted, Juan?

H.E.: I realize that you are a busy man, Mr. Herohang, so I'll try not to delay you too much longer. Why do you feel that the Tazmanians are holding out on their allies, and is it possible they really want Joe Namuth on their ice-hockey team?

Mr. Y.W.H.: Olga is not here Fritz. She went to buy a pencil.

H.E.: Herohang! Do you know what that means???

Mr. Y.W.H.: Um Gouwa!!!

H.E.: Mr. Herohang, do you realize that could set up an international incident?

Mr. Y.W.H.: Does this bus go to Hamburg?

H.E.: Well readers, that was it. Remember that you read it here first....

Mr. Y.W.H.: The apple cost 5 francs.

H.E.: That's it from our foreign correspondent. And remind all your friends to pay their dues, show them this article so they'll see what they're missing by not paying their dues. Only... \$2... until next month, when our foreign correspondent takes an in-depth look at the lost art of latrine digging. Until later.. ?/+=#%

During meals, he commanded authority by tossing food at everybody at the table; putting food into everyone's drinks, especially Jerry Sakamoto (who just sat there- stunned that a past Lodge Chief could do such a thing) and Kevin Clevenger (Amangi's membership chairman).

Tom Preston's Troop 305 stayed at the Scout Reservation for a week and cleared the trail down to the rifle range. Many thanks to his troop. But for Tom Preston, he should not be so messy! He actually poured coffee all over the Trading Post counter. At least Lee Mason's Troop 728 had the usual rowdy bunch of Scouts.

For anyone who read the last AMANGI Newsletter about Bruce McDannold, he trying to deny that he joined Post 303.

Until next month or issue or whenever, this is your roving foreign correspondent meddling into other people's activities saying good-bye.

MOSQUITO PROTECTION

Do Mosquitos bother you in their attempts to bore through your hide? If so, here's a remedy which has come to our attention by none other than Dr. Ben Black, (former) health director for Alameda County. "A solution of alum and water rubbed onto exposed parts will keep off mosquitos quite satisfactorily," Dr. Black declares. "Just dissolve the crystals in a small amount of water. Don't worry about the proportions so long as there is plenty of water in the solution."

1975-76 will bring new changes to Achewon Nimat Lodge, one of which will be the Lodge newsletter. The ARROW POINT will be published five times during the year; but more importantly, the issues will utilize the offset print method. We will now be able to put pictures into the Arrow Point. All articles and pictures can be sent to me, but remember the deadline date of November 5. If you have any comments, please feel free to phone me at 278-0689.
