TLD: OCT. 10, LOS MOCHOS

The purpose of the TLD (the first to be put on in 2 yrs.) was to broaden the candidates leadership skills. In the opinion of the Staff it was a total success. Awards went to candidates Dennis Gondon for best Scout in camp, and Andreas Thomas for most improved candidate.

Awards went to Staff members, Scott Wilson for best p.c., and to Tracy Joseph for most improved p.c. Special thanks go to the kitchen and ceremonial crew who helped in making the weekend a big success. Also our sincere thanks go to Bill Hitchings who acted as Scoutmaster. Thanks Bill!!!!!!!

"ROUND - UP":

Despite rain, young scouts, and Tom Preston, Roger Brown pulled off one of the greatest Round - up's in Live Oak history.

ROUND - UP: con't

This Round - up provided many new ideas to change the main flow of past Round - up activities. The Round - up was held at Hawk Ridge in Anthony Chabot Regional Park and included an all day adventure hike, First - Aid, Camping, and Cooking Skill Awards. A truly unique patrol contest signaled the end of the regular activities and a chance to show off some skill and teamwork. But to top off the weekend we were drenched by the first big rain of the season (wouldn't you know) wow - weel! On behalf of Live - Oak Village and all the people who participated in the Round - up I would like to congratulate Roger Brown. Thanks Rog!!!!!!!
