

# LIVE OAK VILLAGE NAGATAMEN

### FALL CAMPOREE

Well, after months of planning and hard work, our Village pulled off the best Fall Camporee in a long time. The Camporee held out at Los Mochas was attended by 126 scouts, all of whom had a terrific learning experience. Duane Mower (Camporee Chairman) and Chis Shadix (Program Chairman) were in charge of the camporee and both did a superb job. Special thanks go to John Cambra and Manny Garcias who did all the cooking for the staff.

### VILLAGE DINNER

Coming up on Thursday, December 20, 1979 is our annual Village Dinner. This year the dinner will be held at Victoria Station along Embarcadero. The cost of the dinner will be from \$5-15.00, depending on how rich you feel that night. Victoria Station is a change in pace for our dinners. Previous dinners have been held at the Redwood Inn and at Ceasars. Village members should plan on arriving at Victoria Station around 6:30-7:00 PM. Orders will be taken at 7:00PM.

### OCTOBER ORDEAL

At the Ordeal in October, held at Wente Scout Reservation, Live Oak gained three new members into its village. They are:

- Matt Carpenter T-320
- Ed Goodloe T-320
- Mike Ratto T-419

Ordeal workparties included pulling tules from the shores of the lake and setting up tents for the upcoming Charrwood Camporee.

### NOVEMBER ORDEAL

At the rain drenched ordeal in November, held up at Royaneh, two more candidates for Live Oak Village were given the oath of the Order. They are:

- Robert Ruepezacht
- Stuart Devlin

### SNOW TRIP 1980

On March 14, 15, and 16, 1980, our Village will hold its Snow Trip at Bear Valley again. This fun and exciting weekend full of snowball fights, toboggoning and skinning is the best activity the Village gets into. For those who like to ski, nearby Mt. Reba is one of the best places for you down hill skiers. If you enjoy cross-country skiing, Bear Valley also has this fun sport. But, if you're one who just craves the snow and snowball fights or toboggoning, Bear Vally is the best. Last year the members that attended will remember our fantastic tobogon run, with jumps and ramps galore. The cost will be around \$22.00, but we first need a \$10.00 deposit (that is not re-fundable) in order to reserve a spot for you. This deposit is due by January 20, 1980. We also need a Medical Release form filled out COMPELETY AND SIGNED. The cost includes all your meals and cabin rental, it does not include ski rentals or lift tickets for you skiers. They run about \$13.00. The time and place we meet to leave will be announced at a later time.

### SPRING CAMPOREE

The Spring Camporee this year will be held on April 18th-20th, 1980. Tom Preston and Herb Bowen have volunteered to be the Advisors. As of now no site has been picked for the 1980 Camporee, but the Big Basin are in Santa Clara County has been suggested.
