

LIVE OAK VILLAGE NAGATAMEN

VOL. II NO.2

CHIEF- Jeff Wynton ADVISOR- Adrian Stith

ACHEWON NIMAT #282

Here ends another year for Live Oak Village. As one can see, this was our most difficult year. But even though we were understaff and couldn't see which end was up, we still got the job done. We held a successful District Dinner, Fall and Spring Camporees, helped out at the Lodges' Winter Camp Awareness, etc. I would personally like to thank each and everyone of you that help to make this past year a good year.

Yours in Service
Adrian J. Stith
LO Village Advisor

Sung to the tune of "The Age of Aquarius"

When the sun...is blotted out of sight,
and both your eyes...begin to burn,
and you...can't see the freeway
to make...that left-hand turn

you know your driving in
the smog of Los Angeles
the smog of Los Angeles
Los Angeles, Los Angeles

Traffic jams and drivers swearing!
Honking horns and sirens blaring!
Freeway signs obliterated!
Everyone exasperated!

There's no city worse to drive in
You need luck to stay alive in
Los Angeles! Los Angeles!

LAST MEETING OF THE YEAR

As the 80/81 Village year comes to a close, it's time once again to hand over the duties and responsibilities to the new Village Chief, Scott Rowe. The traditional passing of the Chief's headdress will take place on June 3 at our Village Party. Outgoing Village Chief Jeff Wynton will have the honor of passing on the bonnet in a brief ceremony.

NEW LAW PASSED IN THE VILLAGE

At our April meeting, a new law was unanimously voted into the Village By-Laws. From now on the Village will pay the cost for the Chief at all Ordeals. This was brought about due to the fact that the Chief is required to be in attendance at all ordeals to represent the Village. The law takes effect at the first ordeal of the 81/82 year.

SCOUT-O-RAMA

Over 250 Cub Scouts and a few explorers and Scouts had their faces painted like Indians at this year's Scout-O-Rama. This year it was held at the Oakland Auditorium. Jeff Wynton, Steve Kline, and Gary Manskie (Amangi) all dressed up like "authentic" Indians to do the face paintings. As a little surprise to each person painted up, they were given a kite to be assembled and flown. Our Advisor, Adrian who was nowhere to be found, was finally located in the food booth, helping out. Other members from the Lodge included Briant Bates, Roger Bates, Curtis Manskie and Bill Lewis to name a few.

CONCLAVE BANQUET

The conclave banquet was held the Wednesday before the Conclave at the Officers' Club on Mare Island. Two of Our Village members
(Continued on page 2)

CONCLAVE BANQUET (Cont.)

(who shall remain anonymous and who were late) spent 45 minutes looking for the Club after entering the base. Even though they had been given "excellent" directions by the base M.P.'s, they finally did arrive at the Club. They accidentally barged in on a meeting by the base officer, who luckily ignored them. Discovering that these were not Scouts, they then proceeded to pry open a set of double doors while all the officers were quietly staring at them. Using a little force they burst through the doors and ended up in the banquet room full of staring O.A. members. The rest of the evening was much better though. We heard talks from the Officer in charge of the Conclave for the Navy and a talk from an underwater demolition expert. A total of nine people were there to represent our lodge.

CONCLAVE -- MARE ISLAND

On April 24-26, 1981, the Section Conclave was held at Mare Island. Many competitions were there for anyone to participate in. Our Lodge was responsible for Archery and the Alengamat Training Session. Also, Briant Bates of Ohlone Chapter took third place in the Sandpainting Contest and Mike took first place in the Archery Contest. Also, the food at this Conclave was a lot better than it was last year. All in all, it was a very good Conclave.

Mikemosin -- Camp Royanneh

On April 3 - 5, 1981 the Lodge Mikemosin was held at Camp Royanneh. Here Eric Gillilan was in charge. There was Archery, Sandpainting, and other events to keep you busy the whole day through. Also, there was a Vigil tap-out held in the afternoon. Eight people were tapped out. These included Mark Ayala, Paul Hamirich, Roger and Briant Bates, Paul Mayer, and Eric Gilliland from our Village. Tom Coles and John Hayes did an excellent job cooking for the Mikemosin. It was a very enjoyable weekend.

Spring Camporee -- Camp Royanneh

Live Oak Village hosted the Spring Camporee at Camp Royanneh. Eight Troops showed up.

We had a total of 96 Scouts and Scouters in attendance. This year's Camporee was a little different. Instead of the Staff running a chain of events we totally let the Troops put the show on. With the help of the Staff, the Scouts were led out by patrols to seek out a dummy planted by the staff. Upon finding this dummy, they were to apply first aid technique to this dummy. Of course, the patrol were told by their guide what was wrong with this dummy. Upon completion of this event they showed the staff how to build three types of fires. They were Log Cabin, Lean-too, and Teepee. Then the patrols had to show the Staff some lashing techniques. Then the patrols were given a large piece of cardboard and some glue for their Nature Project. They were given a subject that was selected from eight subjects. Some were Beauty, Mystery, and History and others. These events took up the whole morning.

In the afternoon there were campwide games and the Carin Hike.

In the evening there was a Cooking Contest and Inspection. After which came the Campfire. This was also put on by the Patrols. After the Campfire, a Tap-out Ceremony was held at the canoe base. A total of eight Candidates were tapped out.

The next day was Mother's Day, so we got the scouts out as early as 9:30 so they would not miss this occasion. A job well done by the Village Staff.

O. A. Conference

Well with only a little more than two months until the conference, our Village already has six members signed up and ready to go! The conference, which is to be held in Austin, Texas from Aug. 9 through Aug. 14, will be full of sessions, patch trading, Indian Dances and shows galore. Live Oak Village members going are: Jeff Wynton, Jack Wynton, John Kline, Steve Kline, Adrian Stith and Bill Current. The conferences are held every two years and at the last one, held at Ft. Collins, Colorado, over 5000 arrowmen were in attendance. If you are still thinking about going, get in contact with Mr. Lewis quickly!
