### EDITORS NOTE: *HELPING OUT*

To function properly this year and in the coming years, the village needs the cooperation of every member. The village cannot run properly with just the executive staff and a few that show up at each meeting. What we need is **YOU!!!!** If you expect to see better Fall Round-up's and Spring Camporees, then you must become more involved. Committees are being set-up for the Spring Camporee in April. So come out and help build the better Village and District that you deserve.

### WINTER CAMP AWARENESS

The Achewon Nimet Winter Camp Awareness will be held on Saturday, January 23. Our Village has the responsibility of running a class on First Aid. Help is needed for this all day event. Time should run from 9:00am to about 4pm. If you can help out, contact Village Chief Eric Tynes.

### LOS MOCHAS ORDEAL

The next Lodge Ordeal will be held at Los Mochas over the weekend of March 4-6. We have the responsibility of the friendship fire and the workparties. If you've never been to an ordeal, make this one your first. The Lodge and Village can't survive without you.

### GUEST SPEAKER

Dave Minihan, who is a well known authority on Scout patches and memorabilia, gave a talk at our last meeting. Dave brought along a display of old Scout patches from around the Nation. Some of these patches dated back to the early 30's. Although the turnout of members wasn't very good, those who showed up were treated to a fantastic talk. Members present were given as a token, an old patch.
